1. Return first_name, last_name, and salary for employees who earn the lowest salary? Use a
   single-row subquery.

```
FIRST_NAME|LAST_NAME|SALARY  |
----------|---------|--------|
Trish     |Albert   |1800.00|
```

2. Return the following report for associates (employees) and their customers that have an
   available credit > the average available credit for all customers. Sort by sales associate.

```
SALES_ASSOCIATE|CUSTOMER_NAME        |CREDIT_LIMIT|BALANCE  |
---------------+---------------------+------------+--------+
Best, Jim      |Worldwide Digital Inc|   60000.00|27560.85|
Maxwell, Terry |Best Digital Products|   42500.00|12860.50|
Maxwell, Terry |Best Digital Products|   42500.00|12860.50|
Richie, Anne   |Worldwide Digital Inc|   60000.00|27560.85|
Zimmerman, Greg|Best Digital Products|   42500.00|12860.50|
```

3. Return customer name, order id, and the number of days to ship orders. Only return orders that
   took longer than the average number of days to ship all orders. Sort by the number of days to
   ship descending.

```
CUSTOMER_NAME         |ORDER_ID|DAYS_TO_SHIP|
----------------------+--------+------------+
Worldwide Digital Inc |   1002|         15|
Best Digital Products |   1001|         10|
Everything Electronics|   1000|          9|
Best Digital Products |   1005|          8|
```

4. Return employee information shown for employees that have a monthly salary > the average
   monthly salary for department code MA. Sort monthly salary descending.

```
FIRST_NAME|LAST_NAME|DEPARTMENT_NAME |JOB_TITLE         |MONTHLY_SALARY|
----------+---------+----------------+------------------+--------------+
Terry     |Manis    |Administration  |Department Manager|     11000.00|
Sandy     |Black    |Accounting      |Department Manager|      7700.00|
Janis     |Hill     |Video Games     |Sales Associate   |      6585.45|
Lisa      |James    |Major Appliances|Department Manager|      6500.00|
Jim       |Smith    |Home Theatre    |Sales Associate   |      6000.85|
Dave      |Bernard  |Home Theatre    |Department Manager|      6000.00|
Steve     |Carr     |Video Games     |Department Manager|      5500.00|
Jane      |White    |Major Appliances|Sales Associate   |      4500.00|
Lauren    |Alexander|Training        |Department Manager|      4500.00|
Marg      |Horner   |Major Appliances|Sales Associate   |      4500.00|
Jake      |Lee      |Video Games     |Sales Associate   |      4500.00|
```

5. What are the job titles and employee names for employees whose job code are not the same as Sharron Evans? Use last name 'Evans' in subquery. Sort by job title.

```
JOB_TITLE          |EMPLOYEE_NAME   |
-----------------+----------------+
Department Manager|Terry Manis     |
Department Manager|Sandy Black     |
Department Manager|Lauren Alexander|
Department Manager|Lisa James      |
Department Manager|Dave Bernard    |
Department Manager|Steve Carr      |
Software Developer|Greg Zimmerman  |
Software Developer|Bob Allan       |
Software Developer|Paula Morris    |
Software Developer|Rick Peters     |
Trainer           |Scott Long      |
```

6. Which employees have the same department code as the Video Games department? Use "Video Games" in the subquery. Sort by last name.

```
EMPLOYEE_NAME|
-------------+
Trish Albert |
Steve Carr   |
Janis Hill   |
Jake Lee     |
```
